Being owner(s) in good standing with Wickham Lakes Residential District Association, Inc. (WLRDA) with regard to assessment fees being current and the property being in compliance, I (we) have given a copy of the **“Rules in a Nutshell”** to the current tenant(s) and also requested that they go online to wickhamlakeshoa.com or fairwaymgmt.com to read the CC&Rs in their entirety. My tenants have been informed that they must comply with all the rules of the association just as any owner would. It is understood that FL Statute 720.3085 allows the WLRDA to collect any overdue assessment directly from the tenant(s) and have informed the tenants as such.
